

Operation Christmas Box 2009

“Put faith into action to reach children for Christ”

Missions needs you this Christmas! This is your chance to support the ongoing need amongst Christian ministries to underprivileged children in the Western Cape. We're collecting as many gift boxes as possible to distribute to the Lavender Hill Sunday School, Eagles Wings Christian Primary School, Arise and Khyalitsha Ministries. We have specifically selected organisations where the children will not be receiving much else this Christmas. Why not make it a family project, as you teach your children and grandchildren the joy of giving.
